BRAND-NEW
DEVELOPMENT

a fresh approach to modern design that allows generous living space without sacrificing location

Developed by Truslan Project Development & Management, renowned for producing quality buildings across Sydney, they have an outstanding track record of transforming ordinary spaces into quality developments, creating cornerstone properties built to stand the test of time.

A brand-new development with just 30 boutique apartments, *Prologue* promises an enviable location in St Leonards, a burgeoning area of Sydney that is connected to food destinations, shopping strips and quick access points to the glittering centre of the city.

Imagine yourself in a space defined by art and culture, greenery and space, and an innovative approach to living. Each boutique apartment is designed to evolve with you and adapt to our modern needs with spaces that can easily flex from day to night, work to play and couple to family, while being able to enjoy the best of what Sydney has to offer.

Come home to a space you can call your own. Unwind after a busy day at the office. De-stress after running errands. Take some time for yourself and relax in your own slice of luxury.
